## Telephone Call Log

Use this log to record names, telephone numbers, dates, times and notes from each call you make while trying to clear your name. Keeping all of this information in one place will make it easier to remember what steps you need to take next and track your progress through the recovery process.

Download extra telephone call logs at [www.texasfightsidtheft.gov](http://www.texasfightsidtheft.gov) or request them by calling (800) 252-8011.
